

BSJP

Law. Results. Efficiency.

About us

BSJP

Leading law firm

BSJP Brockhuis Jurczak Prusak Sroka Nilsson Sp.k. is one of the leading Polish business law firms.

With more than 70 attorneys, legal counsels, tax advisors and patent attorneys operating in four strategic locations across Poland (Warsaw, Gdańsk, Katowice, Poznań), we deliver all-round tailor-made advisory services to both domestic and foreign entities doing business in Poland, in particular enterprises, holdings and financial institutions.

Integrating legal and business know-how with strong industrial insight, our teams keep marking a top market presence with their year-on-year high quality track records.

BSJP

International links

We have an extensive experience of working both on inbound and outbound investments, transactions and dispute resolution. Our active participation in international associations, such as the International Bar Association, American Bar Association, and other forums and chambers of commerce, as well as our strong links to leading law firms from other jurisdictions, gives us an edge in being able to efficiently and flawlessly assist our clients in cross-border assignments.

We are among others a member of the German-Polish Chamber of Commerce AHK, Scandinavian-Polish Chamber of Commerce SPCC, French-Polish Chamber of Commerce CCIFP and the ETL Group. We are among the market leaders in relation to work for German, Nordic and French clients.

A photograph showing a person in a grey long-sleeved shirt sitting at a dark wooden table. They are holding a black pen over several sheets of white paper. On their left wrist, they wear a watch with a black face and a light-colored strap. In the background, another person in a black shirt is gesturing with their hands. The scene is brightly lit, suggesting an indoor setting with large windows.

Our approach

BSJP believes that legal advice is far more than just solving our client's problems - it is about achieving their goals and visions. Supported by market insight, our innovative solutions are designed to drive business growth.

That is why we will work with you in a pro-active partnership, continuously seeking ways to be one step ahead and add value to your company.

The advice we offer is:

PERSONAL

We guarantee service by a team of lawyers with experience gathered in international and Polish law firms with a corporate profile. Your cases will be directly assigned to one partner and dealt with by a selected team of lawyers, ensuring ongoing contact and building trust.

MADE TO MEASURE

Our lawyers know the requirements of local markets as well as the needs of domestic and international clients. We approach each client individually, providing him with advice tailored to his requirements and expectations.

BUSINESS ORIENTED

By providing services, we strive to ensure that our advice takes into account the business and economic aspects of issues presented to us by the clients, presenting the practical application of legal structures. Strong international experience of our team allows us to effectively communicate with our clients and their foreign contractors.

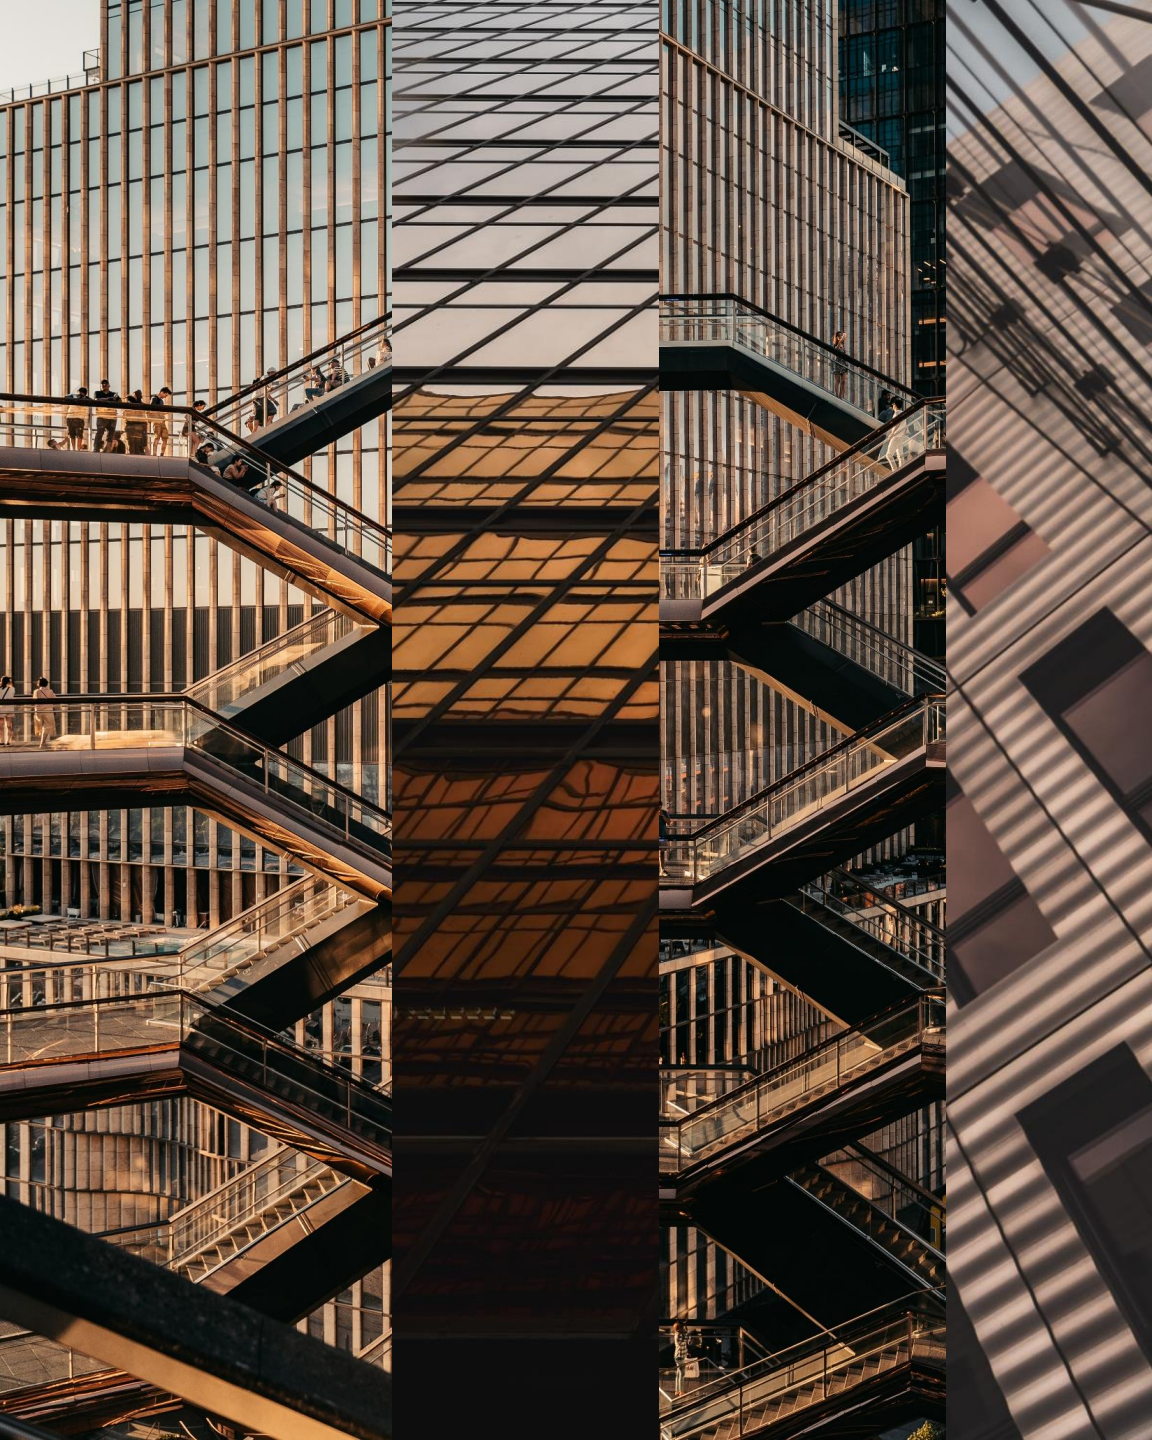

CLEAR

In our consultancy we limit theoretical considerations and case studies, presenting solutions in a comprehensible and transparent manner. While providing services, we remain at the client's disposal, providing him with involvement in the matters we carry out to the extent necessary, determined by his business needs.

**Core
sectors**

Banking, Finance and Restructuring

Having extensive experience in acquisition, asset and project finance, we are a first-class partner for both financial institutions and borrowers. Our top-tier specialization is real estate finance. In this area, BSJP is a recognized advisor of heavyweight foreign and Polish banks and investment funds.

Agribusiness, Energy, Environment, Healthcare

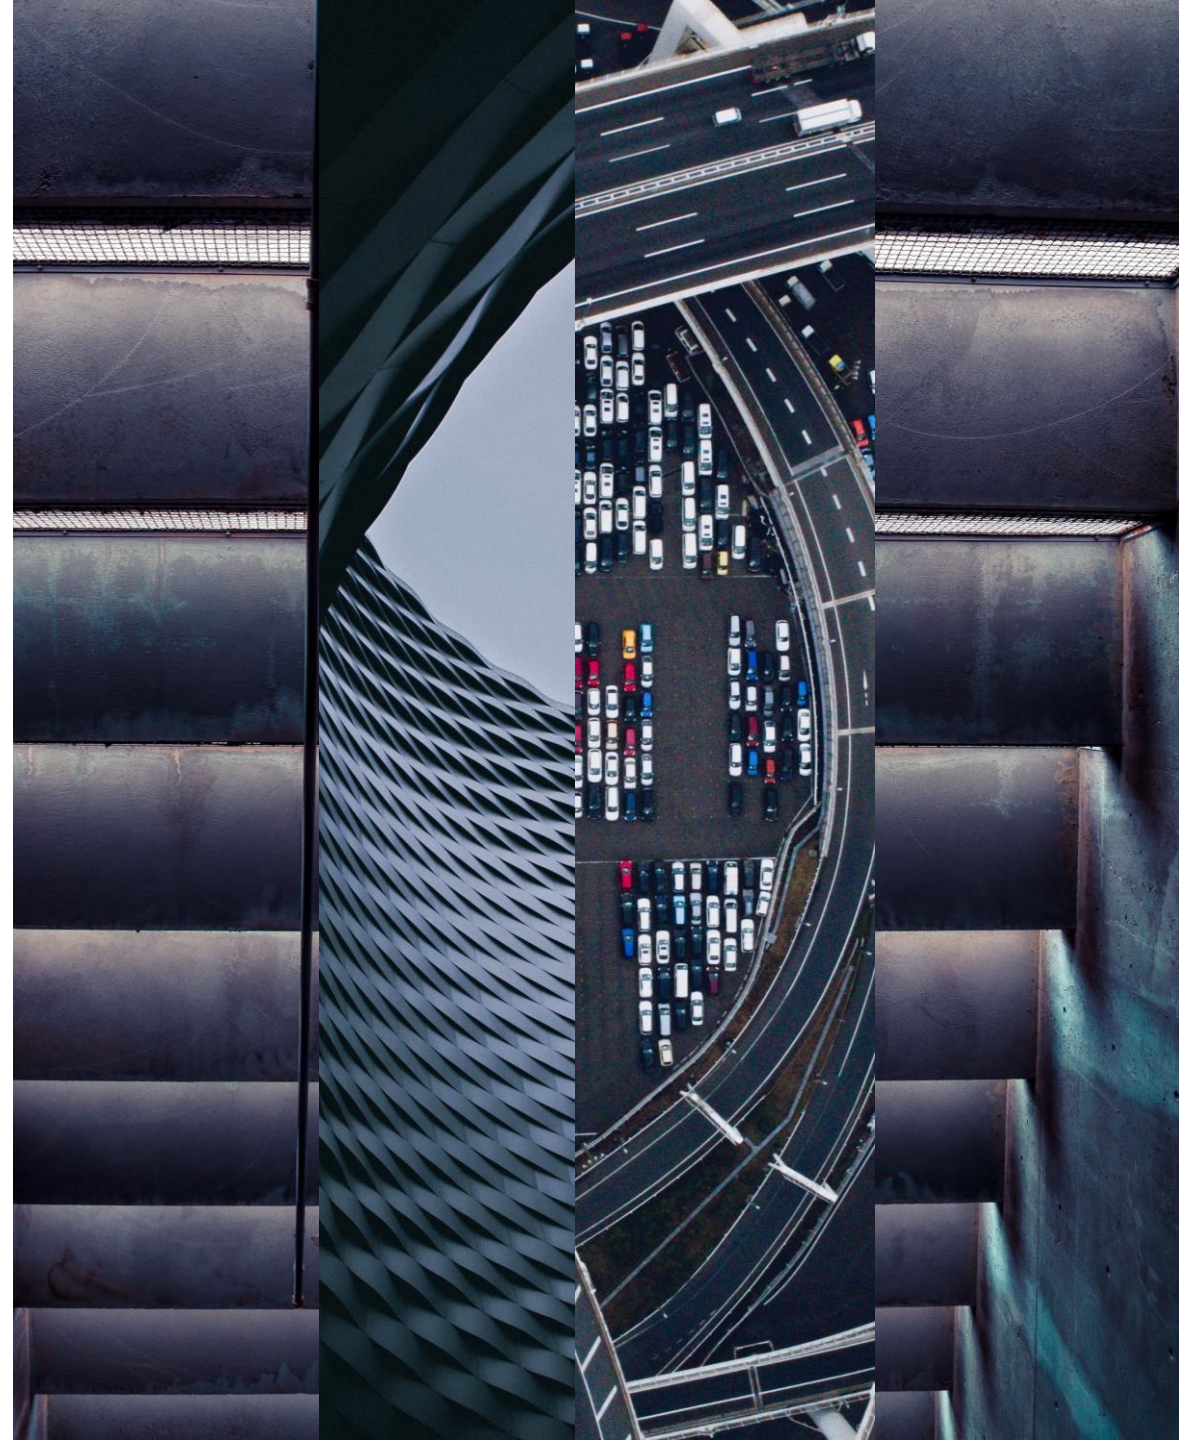

A key focus of our agricultural practice lies in assistance in secure acquisition and sale of agricultural land and farms. We also handle all matters connected with energy, including RES, and environmental protection.

Construction, Real estate and Public procurement

We have vast experience in handling complex real estate transactions in particular legal and tax due diligence, sale and acquisition by share and asset deals, commercial and office space commercialisation as well as greenfield and brownfield investments.

With our **highly-regarded public procurement practice**, we advise entities participating in the construction and development of infrastructure facilities, to include road, railway and energy projects.

Dispute resolution and Competition

For more than 18 years BSJP has been representing clients before common and arbitration courts both in Poland and abroad, across all instances.

We are particularly proud to house an acclaimed litigation practice in respect of infrastructure projects and unfair competition.

We advise and represent entities in merger control proceedings before the The Polish competition authority and the European Commission. We represent parties in antitrust proceedings, i.e. abuses of a dominant position and prohibited agreements (cartels).

M&A, Corporate, Commercial, Employment, Tax

Highly supported by experts in tax and labour law, we offer comprehensive advice in all matters connected with corporate and commercial law, including corporate governance.

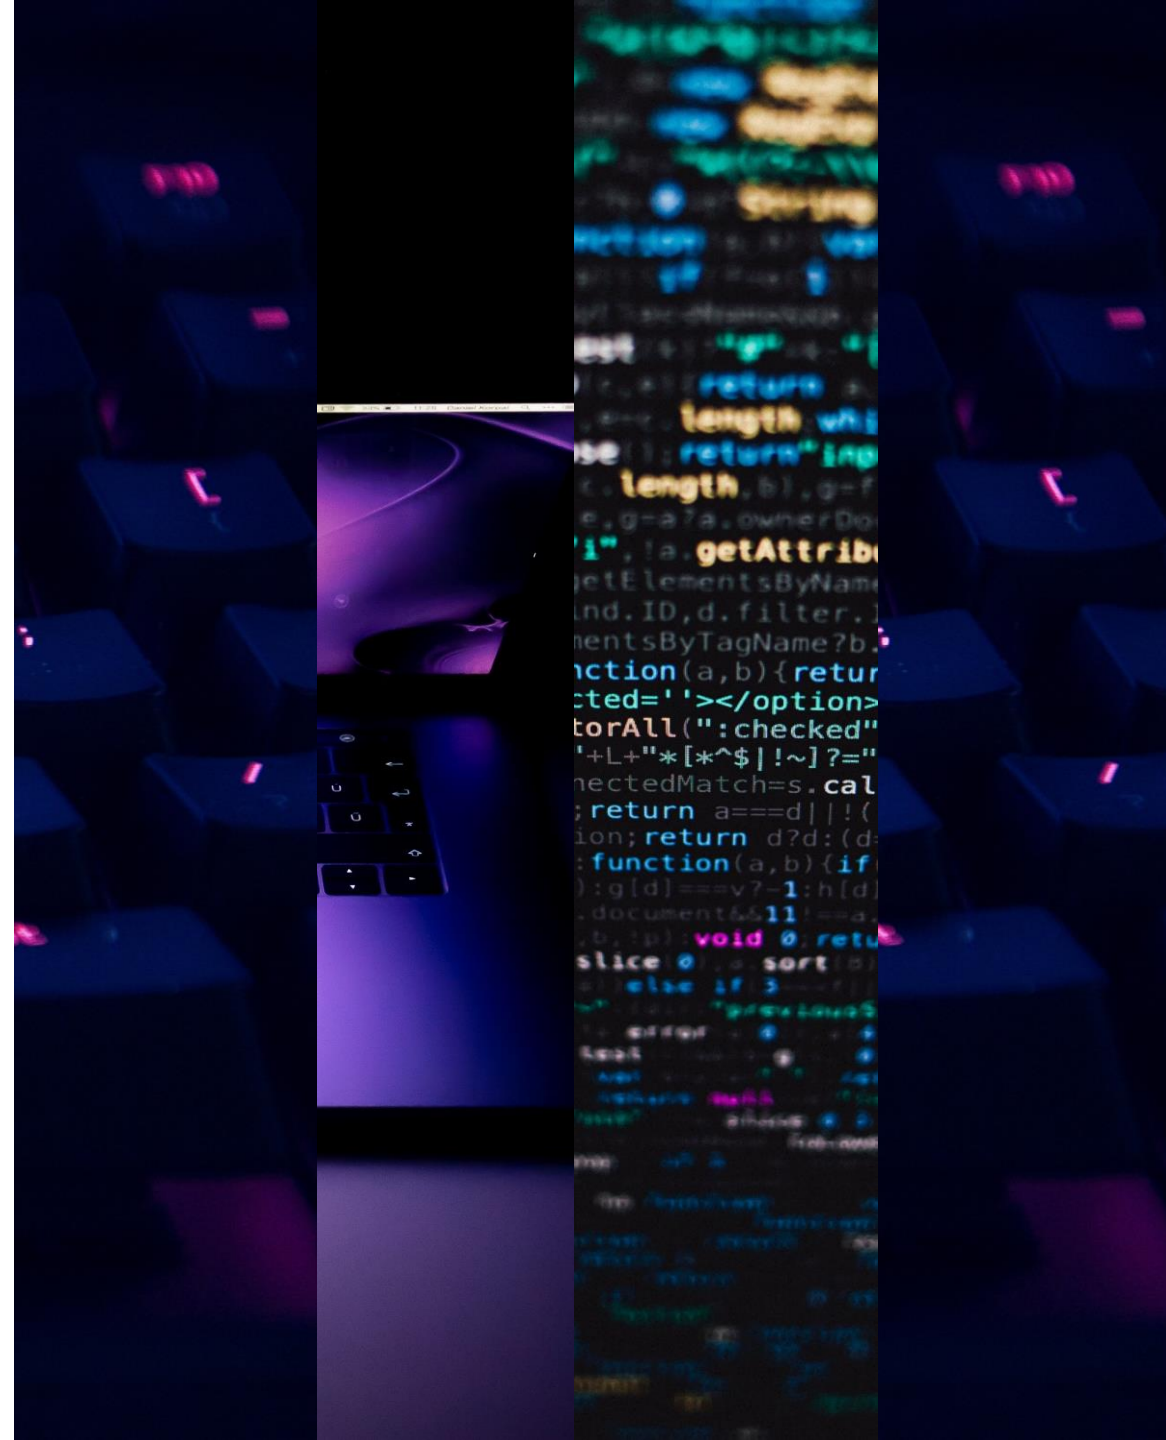

We advise on all aspects of M&A transactions, as well as joint ventures and other commercial partnerships, disposals and corporate restructurings.

IP, IT and Data protection

Dedicated team of lawyers and patent attorneys provides comprehensive advice in the area of new technologies and IT law. We have extensive experience in the field of personal data protection (GDPR), including with regard to regulated industries.

We also help in the protection of industrial and intellectual property, including trademarks, patents and copyright.

BSJP German

Since the firm's formation in 2001, BSJP has been delivering comprehensive advice to German, Austrian and Swiss entrepreneurs doing business in Poland.

We are one of the most recognized law firms on the Polish market servicing clients from the German language area with regard to transactional work and their daily operations in Poland.

BSJP Nordic

We are proud to be the largest Polish firm with a dedicated Nordic desk assisting companies from a wide spectrum of sectors from the Nordic countries in relation to transactional work, projects as well as their day-to-day business in Poland.

BSJP French

Thanks to our recent new partner's vast expertise, we introduced into our offer a new specialization, BSJP French, via which we provide support to French entities operating in Poland, in particular in respect of corporate, IP and employment law issues.

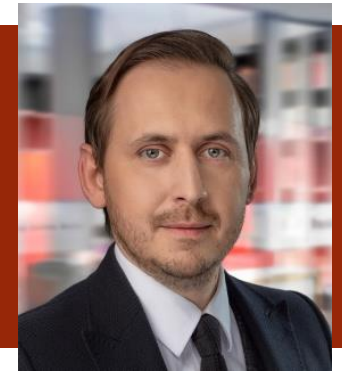

A close-up photograph of several hands of different ethnicities and ages stacked together in a circle, symbolizing teamwork, collaboration, and support. The hands are positioned in a way that they all overlap in the center, creating a sense of unity. The background is dark and out of focus, emphasizing the hands in the foreground. The lighting is soft, highlighting the textures of the skin and the details of the hands.
